MEMORANDUM FOR: Navy Member, NIS Committee

FROM: Chairman, NIS Committee

SUBJECT: National Intelligence Surveys (NIS)

REFERENCE: Memorandum for Chief of Naval Operations
from Commander in Chief Pacific,
dated 9 July 1957, subject as above

1. The NIS elements desired by CINCPAC on a "high priority" and "priority" basis as indicated in reference memorandum are listed in the attachment with notation of the stage of production of each element. The general production situation with respect to the two lists is as follows:

a. CINCPAC "High Priority" List

1) Of the 47 NIS elements listed, 9 are available in published form and 1 is in OBI review and will be available in the near future.

2) Twenty of the 47 elements are scheduled for production during the period FY 1958 through FY 1961, with 7 of these to be completed in the current fiscal year (FY 1958).

3) An additional element, NIS 100A (Republic of Indonesia), Section 59, is planned for FY 1959. However, some information to be contained in this element is now available in a State publication of biographies on the area.

b. CINCPAC "Priority" List

1) Of the 123 NIS elements listed, 49 are available in published form and 9 are in OBI review and will be available in the near future.

2) Thirty-eight of the 123 elements are scheduled for production during FY 1958 through FY 1961, with ten of these to be completed in the current fiscal year (FY 1958).

CINCPAC List of Priority NIS Elements

Current Status

The following comments apply to the attached list:

1. M indicates scheduled maintenance revision of available published section.
2. Dates in parentheses indicate month scheduled in current fiscal year (FY 58).
3. Those elements for which no status is indicated are not now planned for FY 1958, FY 1959, FY 1960, or FY 1961.
4. In some cases the information normally covered in the element listed can be found under another designation--these are indicated in the column "Other Status"
5. Section 34, Supplement II, and Supplement III, which are listed by CINCPAC for some areas, have been discontinued, and the information formerly found in these elements will be found in Section 62, Sections 37 and 83, and Section 38, respectively.
